FACULTY CHILDREN

Tina Linn holding Kent Rouillard.

It is always fun to babysit for the faculty children. You get to eat all the master's food and can stay up late and watch the good television shows on class nights. The most popular t.v. show is Batman for the children. They have one batman cape that they fight over to see who gets it. Then they play the role of Batman, the crusader, and Robin, his faithful companion. Sometimes we even try to do some homework. While we are at classes the nursery is open to the children. They play there every morning and after dinner. One boy's job is child care who supervises the wild batmen after dinner. On the whole, though, we do enjoy them.

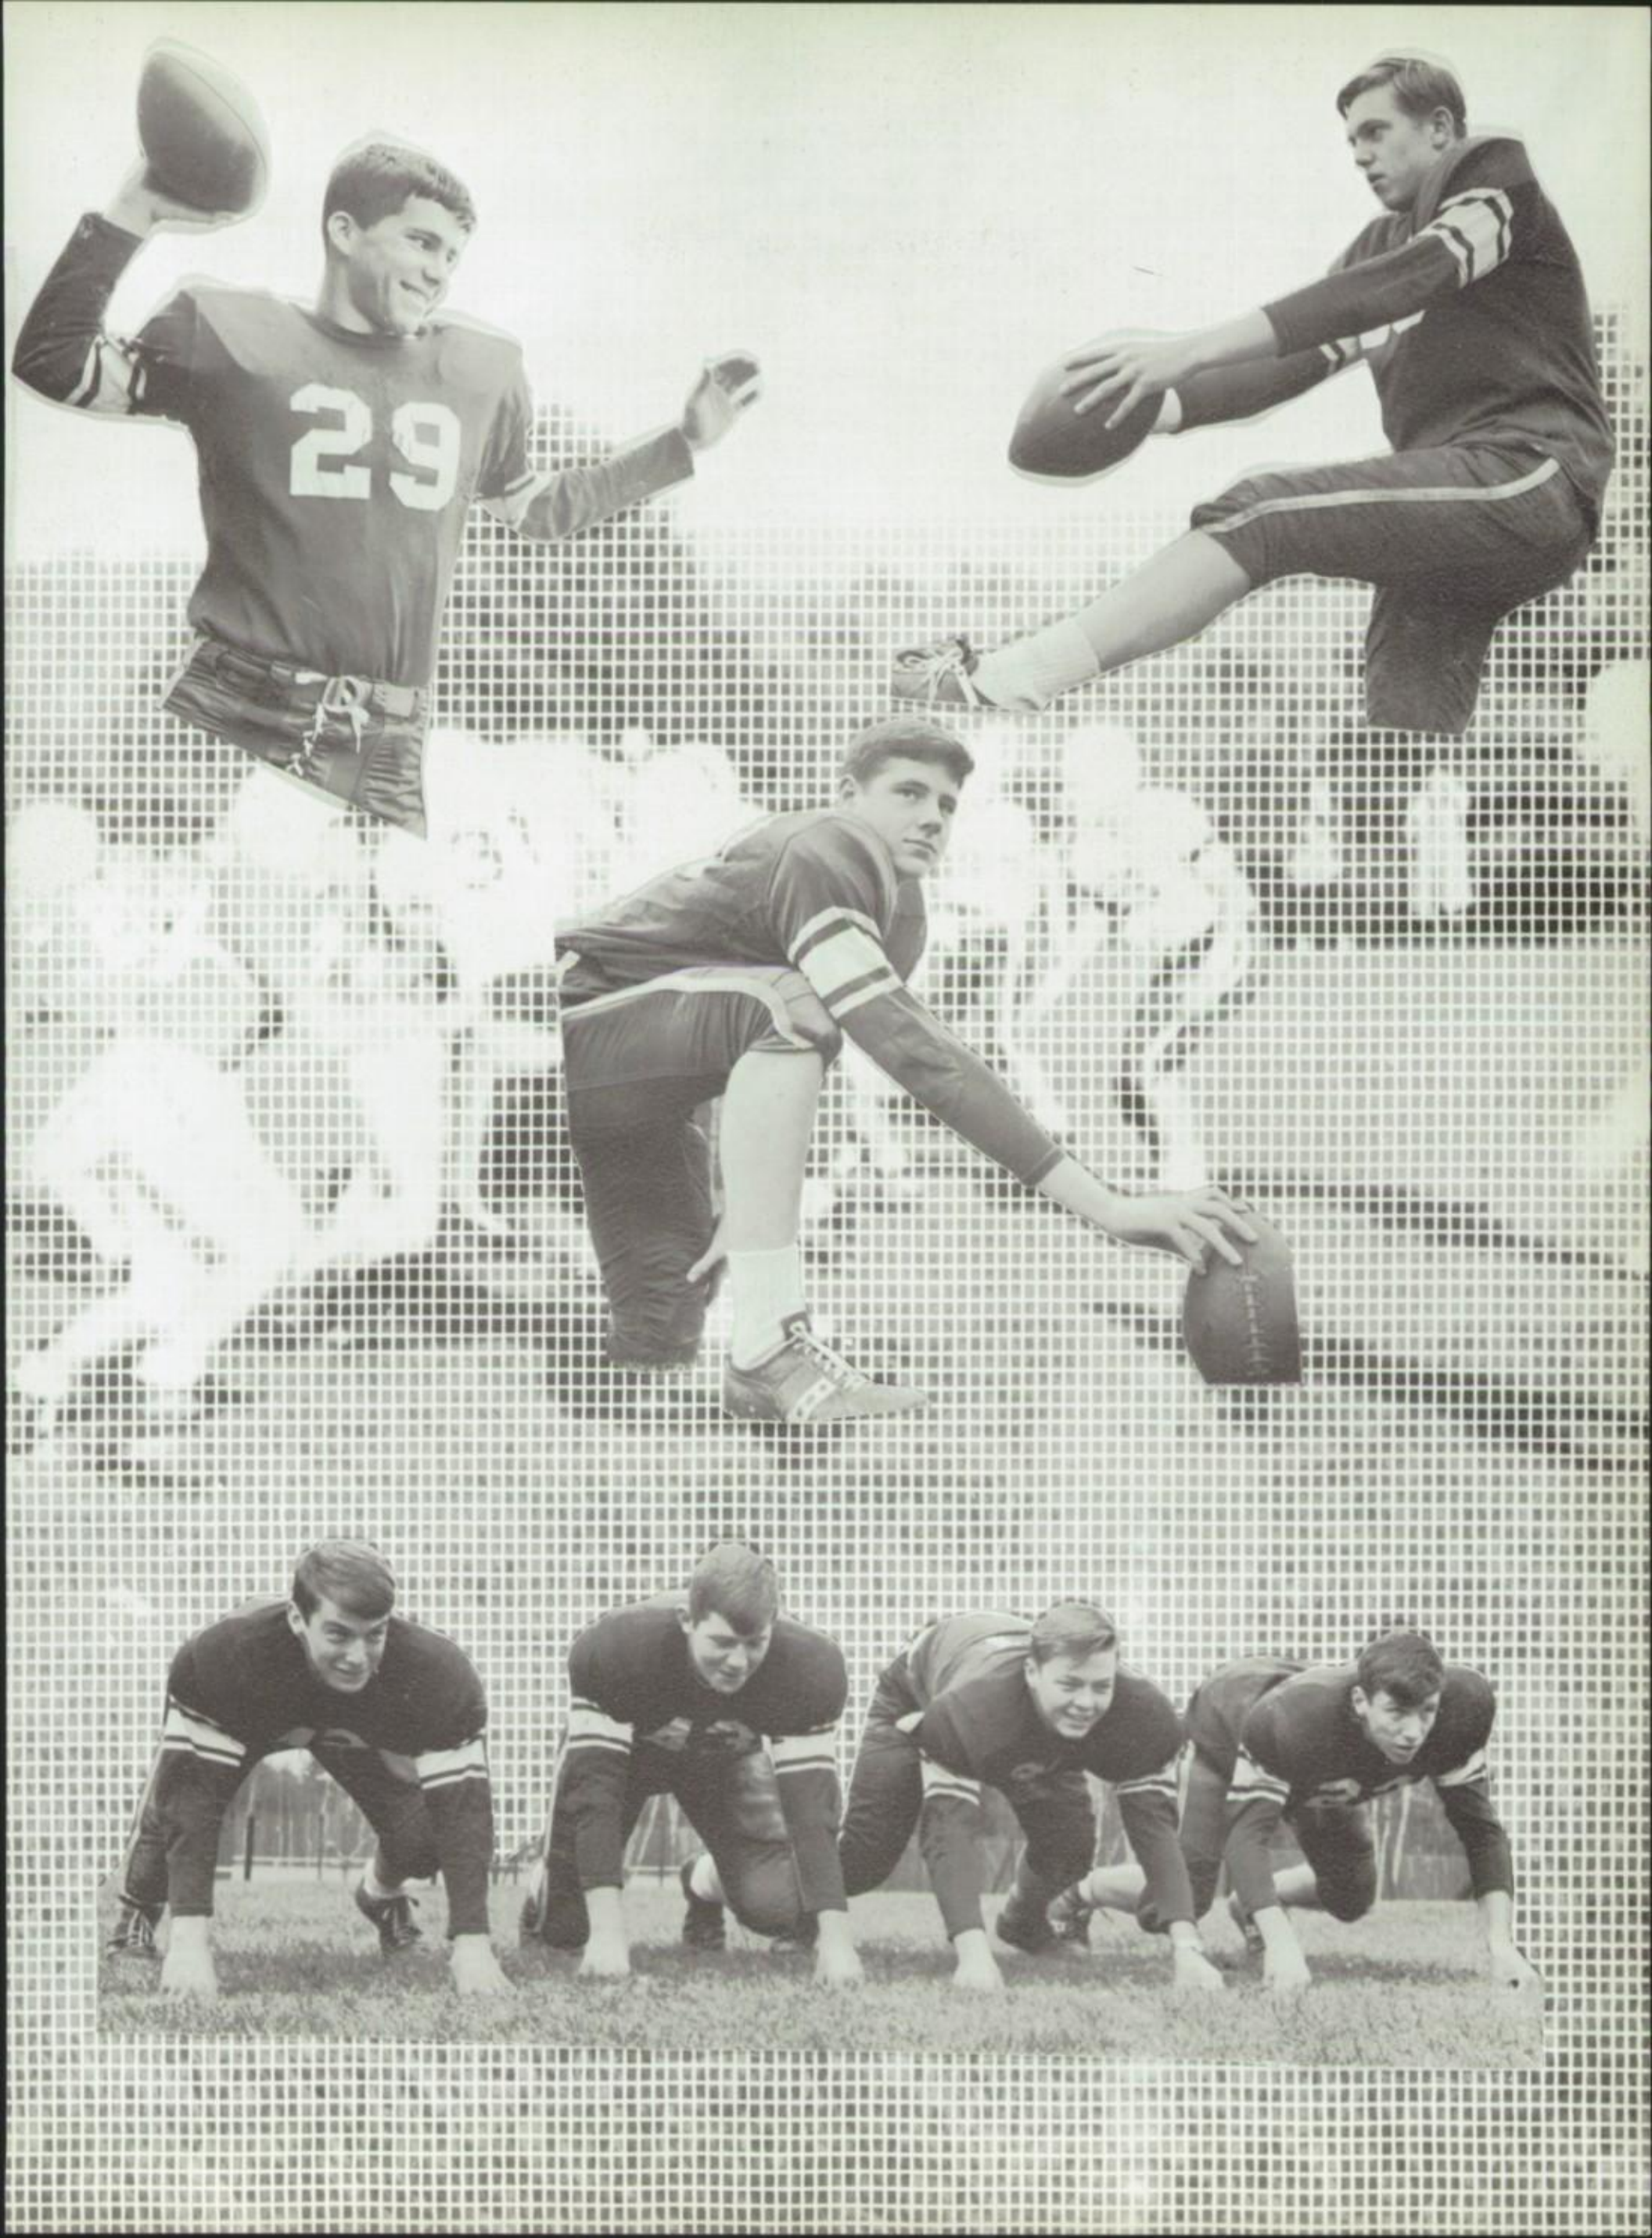
VARSITY FOOTBALL

First Row: J. Wood (Manager), F. Kenly III, J. Paull, R. Foley, J. Alden, T. Moran, J. Bazley, J. Halton, B. Eustis, R. Clancy (Manager). *Second Row:* Mr. Goodspeed (Coach), H. Hill, B. Gordon, A. Coleman, J. Duguid. *Fourth Row:* W. MacIntyre III, M. Ellegaard, J. Gorman, A. Luria, C. Durling.

This year like other years football had another good season. Though it was not as good a record as last year's, the coaches agreed that with such little experience the team did quite well. We opened our season with a loss to Claremont 6-14 which was to their advantage as they had played three games before us. Then we got rolling and went through New Hampton 16-6, Proctor 10-0 and Vermont Academy 28-6 victoriously. Next came K.U.A. which was the most exciting game of the year. Twice we had taken the lead only to end up with a 20-20 tie. Finally came Hanover which we lost 6-12. The outstanding players were Topper Stone, Carl Nydegger, John Thaxter, Bob Pipes, Brit Eustis, Halsey Smith and Rod Parmley.

Our coaches Mr. Chamberlain and Mr. Goodspeed deserve a lot of credit for their fine job and the team really appreciates them for this.



SOCCER

First Row: K. Seith, D. Scotten, R. Lawson, G. Williams, R. Manley, J. Newman, Jr., C. Hartdegen, P. Abbott, R. Hicks, Jr., J. Jeanneney. *Second Row:* Mr. Hough (Coach), F. Rowe, D. Colie, D. Hanson, S. Heath, H. Littleton, C. G. Gallagher, Jr., L. Hilton, C. Thompson, J. Sutton, J. Moore, Mr. Lombard (Coach). *Third Row:* D. Hogan, O. Gray, G. McIlvain, W. Stevens III, J. Shethar, D. Smith, R. Johnson, D. Dickie, J. McGill.

Like Mr. Lombard always said, "The first practice was the best!" The first game we got off to a bad start and lost 3-0 against Lasalette. The next game against Holderness we won 2-0. Three days later we played New Hampton and we came through in the 4th quarter with a decisive victory 2-1. That game against New Hampton was the christening of our new field. The next game, tired and worn out, we went to battle Kimball Union, and we lost 1-0 in a field of mud. We played our last game at home in rainy, soggy weather. The game was against Lasalette, and we lost 1-0. Mr. Lombard said, "We'd better get taller players next year. Isn't that right, Mr. Wakely?"

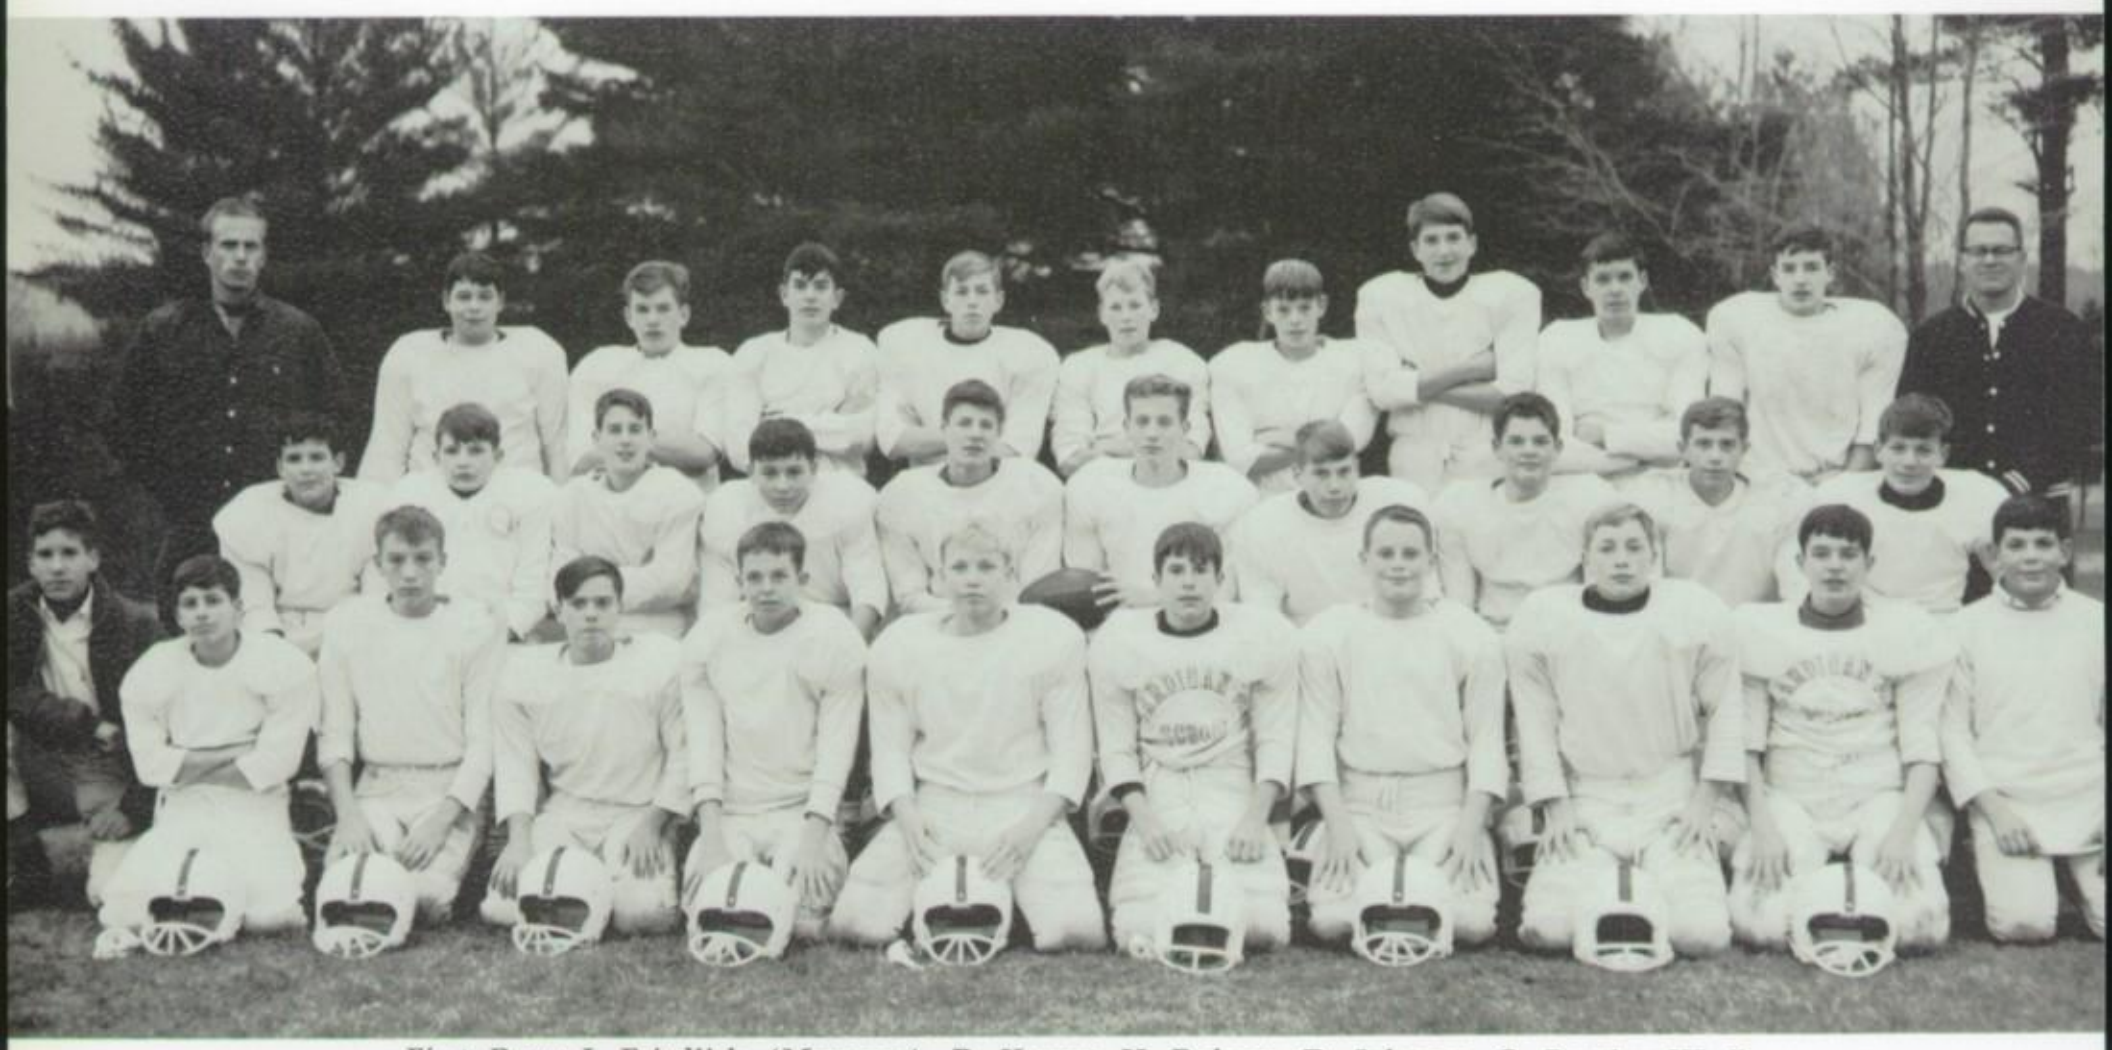
LIGHT-WEIGHT FOOTBALL



First Row: J. Friedlich (Manager), R. Kayser, H. Robson, D. Johnson, G. Bentley III, R. Neal, J. Marshall, R. Nutter, A. Johnston, Jr., G. Cook, A. Weiner (Manager). *Second Row:* J. Goodspeed, P. Russ, T. Duff, M. Howe, K. Knowles, D. Martin, W. Wirene, Jr., G. Robinson, S. Reynolds, W. Dixon. *Third Row:* Mr. Stout (Coach), P. Gardent, G. McCowan, Jr., R. Smyth, G. Thomas, A. Church, E. Fay, Jr., J. Cowan, N. Davis, Jr., J. Place III, Mr. Yaggy (Coach).

The newest sport added to Cardigan's activities this year was light-weight football. This sport was for boys who were too light for the varsity team. Under the direction of Mr. Yaggy and Mr. Stout the team had a 1-1 season. The first game against Sacred Hearts of Lebanon was won by Cardigan with a score of 14-12. The outstanding players were Dean Martin and Kurt Knowles. The next game was against the varsity second string. Though the game was very hard fought by both teams the varsity won 26-6. Mr. Yaggy and Mr. Stout deserve a lot of credit for producing a team with no experience at all.

ARCHERY

Once again the boys of Cardigan Mountain School have been offered the entertaining and enjoyable sport of archery. Under the expert direction and instruction of Mr. Aldrich, many boys became better archers at the expense of some twenty-five arrows, three bow strings and one bow. This year we had target shooting and also archery golf. Archery golf would be accomplished by shooting an arrow at a target about a hundred yards away. Although in most cases one could not see the tire, a few boys like Kip Shields and Tom Marsden came very close to getting a hole in one.

Kneeling: J. Wild. *Left to right:* Mr. Aldrich (Coach), E. Gorman, D. Waisbrot, D. Aldrich, R. Whaland, G. Devereaux, J. Richardson, J. Cady, K. Ohrstrom, T. Marsden III, E. Shields.

FALL TENNIS

First Row: D. Savitt, R. Bergeson, M. Rains, M. Burton, R. Carpenter, B. Welsh, J. Taylor, R. Perry. *Second Row:* Mr. Burget (Coach), B. Austin, L. Truneanu, R. Levine, G. Swenson III, R. Richards, L. Morrell. *Third Row:* W. Oberndorf, D. D. Ritchie, E. Stulb IV, H. Scott III, D. Kenyon, A. McDonald, Mr. Linn (Coach).

This year tennis was one of the most enthusiastic activities. When the weather was not favorable, which it wasn't quite often, you would find the tennis players out sweeping the courts, working over at the Pinnacle, picking up the campus, or even inside studying. Under the fine leadership of Mr. Burget and Mr. Linn everyone agreed it was a rewarding fall.

WATERFRONT

Waterfront enjoyed a very nice fall, even with the cold weather that was present very often.

There were two meets this year, both with Proctor. The first meet was lost by a close margin 2-1. Then in the second meet Cardigan came back to defeat Proctor 3-1. Warren Morris was the outstanding skipper. Everybody is ready for the spring when the sailing team will defend Cardigan's sailing supremacy.

First Row: S. Chaffee, D. Gaillard IV, B. Ellis, S. Gerould. *Second Row:* Mr. Botelle (Coach), C. Zamore, S. Tucker, Mr. Broadhurst (Coach). *Third Row:* P. Smith, A. Hardy, W. Morris, S. Palmer, L. Giller.

FORESTRY

Kneeling: S. Reily, R. Ingalls III. *Standing:* J. Latterman, P. Moore, J. Sculthorpe, H. Turner, P. Stella, C. McGill, Mr. Brayman, R. Addis.

This fall despite our many accidents like bleeding Koala Bears and Jim Mainzer getting stranded in a thirty foot tree without any escape route, the forestry group had a very successful season. The forestry group worked on clearing the areas around the tennis courts, football fields, both new and old, and present soccer field. We took several trips to Orange Gorge in the early fall to rest our tired muscles which had been put to work so diligently at cutting down trees and clearing bushes and shrubs.

Our group would like to thank Mr. Kiberd and Mr. Brayman for their expert instruction and outstanding leadership. We would now like to dedicate this poem to Mr. Kiberd and Mr. Brayman.

Though late fall days were very cold
We never shook or shivered
Why we just looked for warmth and strength
from Mr. Brayman and our Mr. Kiberd.

R. INGALLS

This year's glorious rebirth of snow brought great gratification to all the avid ski "nuts" residing on campus. Everyone remembers that accursed winter of 64-65, when ski resorts all over the East frantically converted to artificial snow. This year most of the school anxiously awaited any kind of improvement, however small or unimpressive.

As 75% of the student body are participants in the recreational ski program, this plea must have swung great influence. Anyway, in the final analysis, the snow this year was comfortably substantial. The Pinnacle got its first year of real use. Numerous ski holidays abounded. On

RECREATIONAL SKIING

the macabre side, there were a few broken legs. Getting back to the Pinnacle, there were still many complaints. ("That darn head wall is all rock.") A few unforgettable dare-devil runs both on Clancy and the Pinnacle will be treasured by the ski "nuts" for the rest of their short lives! The puzzled looks of ski beginners, the triumphant looks of the experts, the awe-inspiring wipe-outs, all made up another ski season. It would take a lifetime to precisely define the varied, intangible elements of any ski season. This scanty summary and the few pictures are only fretful indications of the real thing.

HOCKEY

Kneeling: A. Robinson, H. Robson, J. Marshall, R. Manley, B. Douty. *Standing:* A. Church, G. Tilghman, B. Stone, B. Gordon, A. Luria, D. D. Ritchie, B. Eustis II. *Missing:* Coaches Mr. Walke and Mr. Botelle.

This year's hockey team started the season with a convincing spirit of dedication and optimism. Unfortunately, many tough breaks were to follow, and at this date their record is 2-6-1. It appeared that a solid base of returning veterans assured a successful season. Brian Gordon, already a good goalie for last year's team, was expected to be excellent this year (as he proved to be). The other returning starters were Topper Stone and Britt Eustis, and Alex Luria moved up to starting defense. The most impressive returnee was George Tilghman, who came during the second half of last year and immediately won a starting position. The only newcomer to crack the starting line-up was Bob Manley.

On January 8th we opened against Proctor. Cardigan showed a customary opening game nervousness, resulting in Proctor's opening score. Shortly afterward, however, we showed some more consistent signs of cohesiveness. The defense was really impressive. Brian Gordon made many good saves and Luria and Eustis also did a commendable job. Tilghman was the prime factor in winning the game scoring on two breakaways. Gordon and Tilghman were the stars of the day. From this point we were to lose six games. Three of these losses were by one goal. One other loss was by two. In general the pattern of the opening game was repeated without the necessary element of luck. We played Proctor again and tied them. We beat Vermont Academy 1-0. Thus the final record of 2-6-1.

Although not impressive, this team's record is not a fair account of the team's worth. Gordon on defense and Tilghman were the chief stand-outs. In general the team faced older, bigger, and faster skating opponents from larger prep schools. The team distinguished itself as a scrappy unit capable of giving any of its opponents a rugged, close match.

SKI TEAM

Kneeling: Mr. Rouillard (Coach), R. Clancy, J. Taylor, T. Herbert, R. Neal (Manager), B. Kayser, L. Hilton (Manager), W. Morris. *Standing:* Mr. Stout (Coach), C. Durling, C. Thompson, N. Davis, R. Hicks, J. Thaxter, D. A. Ritchie, J. McGill, G. Swenson, C. Nydegger, Mr. Nyhus (Coach).

Scheduling seven overall meets with Tilton, New Hampton, K.U.A., Vermont Academy, Proctor, and Eaglebrook, Cardigan came out with its most successful season in recent years. Losing only to Vermont Academy and Holderness our record was 5-2. Many young skiers gained valuable experience for next year. Mr. Stout, Mr. Nyhus, Mr. Rouillard, and all the boys who either packed, helped officiate, or in any way gave of themselves towards the ski team have been an essential part of this year's success.

Although it is a hard task to single out one star, by general consensus, it is agreed that John Thaxter was our foremost skier. He placed numerous firsts in a wide variety of both Alpine and Nordic events. A consistent performer he was our highest point getter. Seniors Jim Taylor, Tim Herbert, Carl Nydegger and Dennis Johnson added the needed depth and experience. However, it was the younger skiers who provided satisfying surprises and hopeful expectations for next year. Brad Davis was the most pleasant surprise making our base numerous times. Peter Abbott didn't join the ski team until late in the season, but his brief appearance was highly impressive. Clancy, Hicks, Kayser, Jeanneney, C. McGill, Swenson, and Thompson are the other skiers who will be back next year. Thus, this season may be the opening of a successive string of victorious seasons. However true or false this statement may be, its answer does not in any way take away from the ski team's due recognition for a fine year.

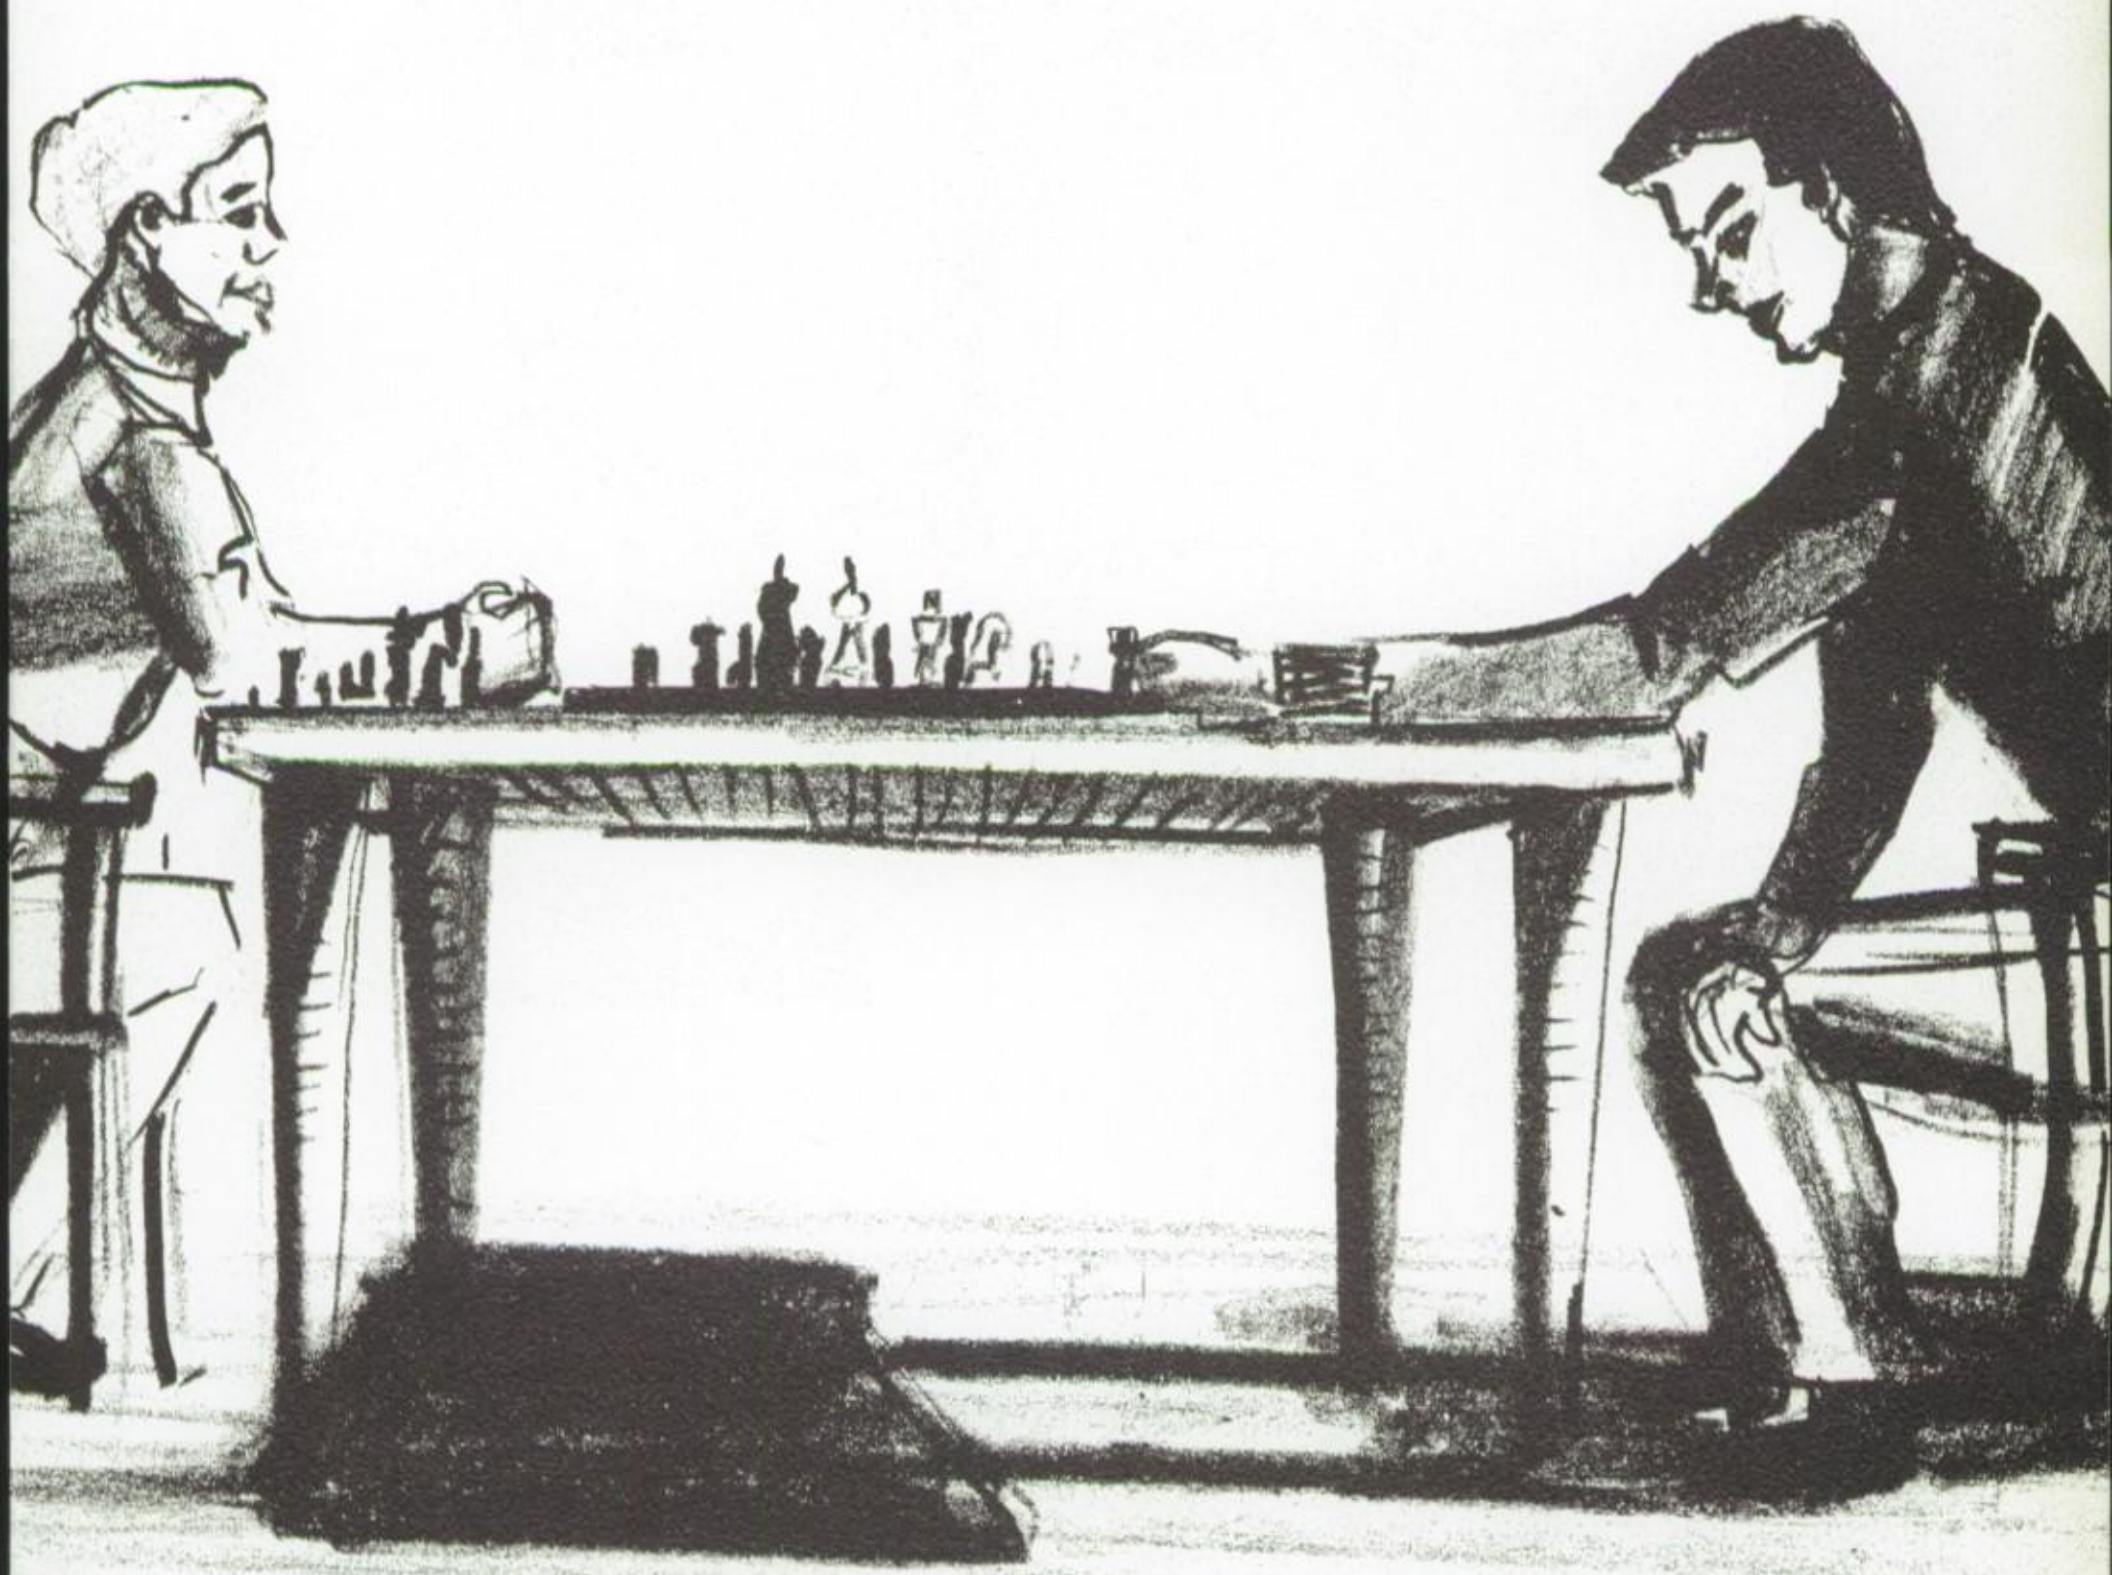
ACTIVITIES



MOUNTAIN DAY

At 7:30 A.M. on Monday, October 11, 1965, a great cheer rose from the dining room. Mr. Wakely had just given the word awaited for several weeks that today was Mountain Day. Within twenty minutes all the buses had arrived and were ready to leave at 8:05. The easy climbers were headed toward Welsh Mountain. The harder climbers set their destination for three mountains: Lafayette, Lincoln, and Little Haystack in the Presidential Range. The Welsh Mountain Climbers were rewarded with a beautiful view after an hour of climbing. The hard climbers met with a thick fog which prevented any view at the top, but the snow proved to be enjoyable with a few snowball fights. Halfway down after the fog lifted a beautiful view was seen. All in all, the day seemed to be a success and early lights were a welcome sight for everybody.

FALL DANCE

The first dance of the season was held October 23, 1965. With the help of THE SATANS we got off to a good start. At the beginning all of the boys were in one crowd and, in another, the girls. Through the needling of the faculty, we started asking girls to dance with us. By the time an hour had passed I do not think one person was not enjoying himself. From my point of view and others, this was the best dance that the school has had in two years. With the help of Mrs. Hazen and Mrs. Chamberlain and others, we were able to get the decorations up. The theme of Halloween was carried out.

AWARDS BANQUET

The Awards Banquet this year was one of the best. Along with the fine meal provided by Clancy, speeches were given by Rocky Ingalls, Halsey Smith, Gordon Devereaux, Warren Morris and Hardy Littleton. The Master of Ceremonies was Austin Morris.

The awards were won by Carl Nydegger who was the Most Valuable Football Player, John Thaxter — Most Improved Football Player, C. G. Gallagher — Most Valuable Soccer Player and Jim Sheather as Most Improved Soccer Player.

WINTER DANCE

On December 12, 1965, the second dance of the school year was held once again in the gaily decorated dining room. Preparations had been well arranged by a small group of madly artistic students working faithfully through the week. A quiet atmosphere mingled with the massive amplifiers and Christmassy ornaments dangling from the ceilings. Amid these surroundings the dance started at 7:30. The dance started with a whimper, not a bang. The first few numbers saw only a few, stray couples on the dance floor. However, the dance progressed, and soon everyone was enjoying himself. Such was the hearty spirit shown by the participants that they survived when the amplifiers broke down on the student entertainment group, THE SATANS. After a brief interlude of belated folk singing by two members of THE SATANS the dance ended at 10:30, with the hope of further successes.

Christmas Banquet and Service

On December 16, The Christmas Banquet was held in the dining room. An excellent dinner was served by Mr. Clancy. After dinner the annual Christmas Service was held in the Chapel.

The service included Christmas selections sung by the Cardigan Choir and a sermon by the Rev. Broadhurst. Our guest soloist was Miss Diane Dickinson who sang "Oh Holy Night."

SKI HOLIDAY

On March 8, 1966, we had school ski holiday and arrived at Killington Ski Area in Vermont with four buses of avid skiers. The snow conditions were good to excellent. We had no casualties such as broken legs — only a few broken skis. Our ladies' man of the day was Rod Parmley. The stunt man of the day was John Thaxter who made a fantastic jump. Winsor Rowe, a talented skier, lost his poise long enough to run over Mrs. Rouillard. Everyone had a great time but was exhausted at the end of the day and very thankful for early lights.

The winning snow sculpture.

Our boys who were left behind due to previous casualties included C. Durling, D. A. Ritchie, A. McDonald, and P. Gerard.
